## ABOUT DR. NAHLAH BOARD CERTIFIED PROSTHODONTIST

Dr. Nahlah is a board certified specialist in Prosthodontics with advanced training and experience in all facets of implant and restorative dentistry. Because of Dr. Nahlah's extensive knowledge of advanced technology, materials, and procedures – he works on very unusual cases every day. That's why other dental professionals refer complex cases to him as The Complex Case Specialist.

Dr. Nahlah performs advanced restorative procedures using the latest technology including: implant prosthesis, full mouth rehabilitation, smile makeovers, and All-on-4 "teeth in a day".

### Training & Qualifications

- Board Certification from the American Board of Prosthodontics.
- 3-year residency in Prosthodontics from the Medical College of Georgia.
- Masters of Science in Oral Biology from the Medical College of Georgia.
- Esthetic training at the University of California, Los Angeles (UCLA).
- Implant training at Loma Linda University, in California.
